Click on "Customer Admin" and search with end customer email ID

The screenshot displays the StreamOne Reseller Portal interface. The browser address bar shows the URL: https://eu-uat.tdmarketplace.net/support/reseller/digital_locker.aspx?pg=locker. The page header includes the TechData and StreamOne logos, along with navigation links for Reseller Resource Center, Reseller Portal, Contact, and Cart. A search bar is visible in the top right corner. The main content area is titled "Customer Admin" and features a search bar with the text "Search:" and a "Find" button. A table with columns "Company" and "Email" is displayed, showing one entry for "mohammad.shahrukh@blue-thread.com". A black arrow points to the search bar, and a black circle highlights the search input field. Below the table, there are navigation buttons for "SaaS", "IaaS/PaaS", "Billing", "Quotes", "Company Info", and "Carts". The page also includes a sidebar with navigation options like Home Page, Orders, Insights, and Customer Admin.

Now click on "IaaS/PaaS" tab and then search your order in "Installed" section

The screenshot shows the StreamOne Reseller Portal interface. The top navigation bar includes 'TechData', 'StreamOne', and 'Cloud Marketplace'. The user is logged in as 'Mohammad Shahruckh'. The main content area is titled 'Customer Admin' and contains a search bar and a list of tabs: 'SaaS', 'IaaS/PaaS', 'Billing', 'Quotes', 'Company Info', and 'Carts'. The 'IaaS/PaaS' tab is circled in red, with a large black arrow pointing to it from above. Below the tabs, there are two sections: 'Ready to Install IaaS/PaaS Applications' and 'Installed IaaS/PaaS Applications'. The 'Installed IaaS/PaaS Applications' section is also circled in red, with a large black arrow pointing to it from the left. This section contains a table with the following data:

Date	Order	Order Source	Vendor	Part	SKU	Initial Office 365 Domain	Product Info	Unit(S)	Expiration Date	Admin

Once identified your order in "Installed" section, click on "Modify" button for your order.

The screenshot displays the 'Customer Admin for SHAHRUKH CO' interface. The top navigation bar includes 'TechData', 'StreamOne', and 'Cloud Marketplace' logos, along with a search bar and user information. The main content area is divided into several sections: 'Ready to Install IaaS/PaaS Applications', 'Installed IaaS/PaaS Applications', and 'Cancelled IaaS/PaaS Applications'. The 'Installed IaaS/PaaS Applications' section is currently active, showing a table with one entry. The 'Modify' button for this entry is circled in red, and a red arrow points to it from the right side of the screen.

The screenshot displays the TechData Digital Locker interface. At the top, there are logos for TechData, StreamOne, and Cloud Marketplace. A navigation bar includes links for Home, Browse By Categories, and Browse By Vendor. The main content area is divided into several sections:

- Status of Subscription:** Active
- Current Billing Cycle:** 27/01/2020 - 26/02/2020
- Current Budget:** €0,00
- Subscription Usage:** €0,00
- Status of Transition:** Not Started. A button labeled "Transition to Azure Plan" is circled in black, with a large black arrow pointing to it from the right.
- Usage Threshold Notification:** at: 0%
- Reseller Information:** Blurred text.
- End User Information:** Blurred text.
- Subscription Settings:** Domain: prodte...ireFI2. Subscription name: Microsoft Azure. Subscription ID: C...03...2... Microsoft Cloud Agreement - Archived and Microsoft Customer Agreement links are present.
- Subscription Table:**

On the right side of the interface, there is a disclaimer: "Disclaimer: Data updates every 24 hours" and a section titled "Need to access your end user's subscription" with a "View Steps" link.

At this stage you'll be able to see the "Transition to Azure Plan" button active

While submitting the request to transition a subscription from **Legacy Azure to Modern Azure**, the system will check the eligibility for the tenant to move to Modern Azure.

If you meet the eligibility criteria, you'll be asked to accept the Vendor T&Cs. The system will log that acceptance.

When the subscription is successfully transitioned, the modify page will become "read only" and no changes will be allowed until the transition is completed.

Please be aware that once the tenant is transitioned some features will be no longer supported for Modern Azure in SCM:

- Budget settings
- Subscription usage
- Threshold settings
- Ability to rename the subscription.

These functionalities will return to be available on SCM after the 16th of March. Please, contact your local team to get further details.

After successfully transitioned the name will be updated from "Base Subscription" to "Azure Plan".

The screenshot displays the Azure portal interface for a subscription. The top section shows the current status: 'Status of Subscription' is 'Processing', 'Current Billing Cycle' is '12-16-2019 - 01-15-2020', and 'Current Budget' is '\$0.00'. Below this, the 'Status of Transition' is 'Not Started', and a 'Transition to Azure Plan' button is visible. A green checkmark indicates 'This subscription is successfully transferred to Modern Azure!'. The 'Usage Threshold Notification' is set at 0%.

The 'Reseller Information' and 'End User Information' sections provide contact details for the reseller and end user. The 'Subscription Settings' section shows the domain as 'S1G1N0020Legacy' and the subscription name as 'Microsoft Azure'. A link to the 'Microsoft Cloud Agreement - Archived' is provided.

The 'Subscription ID' is 63A4697E-6453-4EFE-AE01-4BA80FB2D336. Below this, a table lists the subscription details:

Order #	Vendor	Name	Delegate	Manage	Status	Created On	Modified On
